

# ADVANCED SCHOOL OF ANTENNAS 2019

2<sup>nd</sup> edition: June 20-24, 2019

KIIT, Bhubaneswar

<http://www.antweek.org>

ADVANCED SCHOOL OF ANTENNAS (ASA) is a weeklong residential summer school, newly introduced by IEEE AP-MTTs Kolkata Chapter in 2018. This is the first of its kind in India where antenna researchers, experts, and professionals assemble under a common roof for training and discussing the state-of-the-art technologies.

**The 2nd edition of ASA will be held during June 20-24, 2019 at KIIT, Bhubaneswar.**

**7 course modules** based on the 2019 theme **ANTENNA DESIGN AND MEASUREMENT** will be offered by academia and industry experts followed by special hands-on-training.

A **2-credit equivalent certificate** will be awarded to each successful candidate on completion of the 26 contact-hour course.

ASA is a residential event with limited number of seats.

Online registration started on 1 March, 2019 and will be confirmed on the first come first serve basis
